

A PRIMER ON MINNESOTA CHARTER SCHOOLS

OVERVIEW

Minnesota charter schools are tuition-free, independent public schools that are open to and welcome all students, no matter ability or need, and are governed and operated jointly by licensed teachers, parents and community members.

Minnesota was the birthplace of the charter movement in 1991. As of September 2012, there are 148 charter schools in operation in the state. While over 60% of charters are located in the greater Twin Cities metropolitan area, there are charters in communities across the state from Grand Marais to Echo and from Bemidji to La Crescent. *There were over 39,000 students enrolled in Minnesota charter schools (about 5% of the state's K-12 enrollment population) in 2011-12.*
