

Dear CA Families,

Wishing all Cologne Academy families a wonderful Thanksgiving Break. Cologne Academy is grateful for our families and all of our employees. Each group brings energy and passion into education. The children are the benefactors of such commitment.

Cologne Academy is now on Instagram! Please trend any positive stories you'd like to share #cologneacademy.

***Grandparent's Day - Tuesday, November 24<sup>th</sup> 1:00 p.m.***

Grandparents are invited to join us for our Outstanding Student Assembly in the Community Center gym.

After the assembly, grandparents are invited back to the school to spend time with their grandchildren in the classroom and visiting the book fair.

**Please note the following:**

Parking is going to be tricky. Those willing and able to walk to the gym/school are asked to park in the Security Bank parking lot in an effort to leave the closer parking spots for others.

- After the assembly, students will return to the school with their class/teacher.
- It is always helpful if the grandparents know the name of the teacher(s), so we can easily direct them to the classroom.

- If students are leaving with their grandparents, you **MUST** communicate this info with the homeroom teachers **PRIOR** to Nov 24th.
- We respectfully ask that grandparents depart the school by 3:00 pm in order to allow room for our carline and buses in the parking lot. The buses can't maneuver through our lot when there are cars parked in each row.
- As always, parents are welcome to join us at the OSA. Please make every attempt to leave seating for the grandparents. Also, in an effort to make this day special for the grandparents/students, we respectfully ask that only grandparents join us at the school afterwards.

Cologne Academy collected 1,247 items for the local food shelf! Thank you to everyone that donated and to NJHS for all your hard work!

The Book Fair will be open Tuesday, Nov 24 from 1:30-4:00 p.m. in the CA lunchroom.

Our sympathy to the family of Joe Corkins, who passed away due to cancer. Joe was an 8th grader at Cologne Academy in 2012/2013.
