MY CONNECTION TO COLOGNE ACADEMY: I have served on the board of directors for the past three years. Second, I have worked with numerous families over the past five years whose children have graduated from CA. My work with these families is in the secondary education arena.

WHY I WANT TO SERVE ON THE BOARD OF DIRECTORS: I think that the work CA does to prepare children for future academic and life success is excellent and want to be a contributor to keep that work going.

EXPERIENCE THAT I WOULD BRING TO THE BOARD: Recruitment, Marketing, Organizational Management, and Strategic Plan Implementation and Review.

AREAS OF EXPERTISE I COULD BRING TO THE BOARD: Written communication, problem solving, public speaking, strategic thinking, and disruptive innovation.

THE CHALLENGES I SEE AHEAD AND HOW I PROPOSE HANDLING THOSE CHALLENGES: I think that there are two main areas CA will constantly have to address now and into the future:

- 1) The growing portion of the population that requires special assistance with learning and behavioral challenges.
- 2) Continuing the path of school growth while maintaining our tremendous commitment to the importance of individual student success.
