Subject: CA Middle School Family- Exciting Changes!

Hello Middle School Families!

In case you have grown out of your blue uniform bottoms, I wanted to let you know that **ONLY Grades 5-8** have the *option* of wearing **khaki** colored or **navy** colored slacks/shorts/skirts/skort/sjumpers.

Remember that cargo pants, carpenter pants, and denim pants are NOT school uniform even if these are navy or khaki. Please keep to slacks...no side pockets, hammer loops, jean type back pockets!

Hope you enjoy these subtle changes! Looking forward to next school year.
